

How to use the scale

Print to "Actual Size" or 100% scale
 Tape Page 1 to Page two - DO NOT OVERLAP
 Match the heel of your foot to the curved line
 Align the inside of your foot with the dotted line

Verify Accuracy

To verify the scale is correct simply use a ruler to determine space between each line = .5cm

All Astral footwear is made on a D-width last with a medium heel cup and a wide toe box.
